EVENT DETAILS

The Best of the West - Global Buyers Event San Francisco, Fresno & Los Angeles, California September 8-11, 2026

This inbound mission offers two unique engagement opportunities with participating foreign buyers.

Full Day Event (One-on-One Meetings): Companies will have focused one-on-one business meetings of up to 20 minutes each with pre-selected buyers. The day includes a networking luncheon featuring a guest speaker who will share insights on current international food market trends. WUSATA team members and our in-market representatives will be on-site for individual consultations throughout the event.

Product Showcase: This half-day event gives participating WUSATA companies the opportunity to present their products directly to buyers in an open trade-show environment. Unlike the Full Day Event, the showcase operates without scheduled appointments, allowing for organic networking and product discovery.

Benefits of Participation:

- Connect directly with 20+ foreign buyers from the Middle East, ASEAN, Taiwan, and Africa through targeted one-on-one business meetings.
- Build relationships with new prospects while strengthening existing customer connections, assess market opportunities for your products, and gain valuable insights from qualified buyers actively seeking Western U.S. food products

Affiliated Event: Africa Contractor Roadshow - U.S. Company Consultations in California (Optional)
